

Information Request 01561

Please may I have a copy of the risk assessment for lightning strikes on Redhayes Bridge.

Devon County Council's response

Devon County Council does not hold a risk assessment for the eventuality of lightning strikes to the bridge.

The issue of lightening strikes to the bridge was considered during the design stage where it was determined that the bridge was adequately earthed and that installation of a separate lightening conductor system was unnecessary.

If you wish to speak with someone regarding the above request, please contact the Freedom of Information team on 01392 384678 or email
